Miss Goodpasture has been on sick leave since July 1972 awaiting medical retirement in October 1973. She is a charter member of the Agency having entered on duty from OSS and its successor organizations. Her career is highly distinguished by virtue of consistently strong to outstanding derformance all of which is fully decumented.

In addition to several staff and desk assignments, Miss Goodpasture served in support of the successful coup against the communist government in Guatemala in 1954 and completed tours of duty in Bombay, Monterrey and Mexico City. Undoubtedly, the high point of her career occurred during her service in Mexico City from 1957 through 1970, where she served as a "trouble-shooting" case officer for the incomparable Winfield Scott (deceased), who was then the Chief of Station. Mr. Scott, a stern task-master, described Miss Goodpasture over these years as "intelligent, hardworking, conscientious, versatile, valuable and unquestionably one of the most competent CI/CE officers he ever had the privilege of working with." Miss Goodpasture's fitness reports were totally consistent with this appraisal, and were characterized by outstanding ratings. In her final assignment prior to acute medical problems, she worked for the CI Staff (October 1970-October 1971), earning the following remarks from her supervisor: "...I venture to rate her overall performance, thirty years of it, as Outstanding. Ann is one of the bugh warp-threads on which this organization is woven, and when she retires the fabric of this organization will be weakened." The reviewing official agreed with the above and recorded his hope that Miss Goodpasture get the official Agency recognition she so richly deserves for the many years she has made substantive and continue on Altaledo shell.

MEMORANDUM FOR: Miss Ann L. Coodpasture

THROUGH

1" Administrative Officer, CI Staff-

SUBJECT

: Application to Purchase Service Credit

1. This is to advise you that your application to purchase service credit under the CIA Retirement and Disability System has been processed. The period of your service which is not covered by retirement deductions and the amount due to cover this period are as follows:

Redeposit Period

Total Amount Due

Il Mar 1942 - 8 Sep 1943

\$241.00

- 2. Postponing payment will cause the amount due to increase because of additional interest at the rate of 3 per cent compounded annually. However, so long as the amount is not paid, you have the use of this money for other purposes. You may postpone payment until you retire.
- 3. If the redeposit is not made you will receive no credit in the computation of annuity for the period of service covered by the refund. This usually results in a sharp reduction in the amount of your annuity.
- 4. If you wish to make payment for the redeposit period, please make your check payable to the Treasurer of the United States and forward it to the Chief, Retirement Operations Branch, 205 Magazine Building. If you prefer, you may make installment payments or arrange for bi-weekly payroll aliotments of \$25.00 or multiples thereof. A receipt showing a statement of your account will be sent to you acknowledging each installment payment.

Administrative Personnel -

- 1. David Konan has asked that I state my preference with regard to home leave and reassignment. I will be eligible for home leave in July 1953 but it is not urgent that my leave be scheduled exactly when due. I would like, however, to know what opportunities exist with headquarters and whather I should be looking elsewhere for employment after July 1953.
- 2. With regard to another two year tour of duty in Kenterrey, I would prefer a more responsible job than is foreseable here. Now that the station files are set-up and the administrative routine is established, my job, while termed Administrative Assistant, is mainly that of a clerk-typist. The practice in typing has been good for me but I would like to look ferward to a more responsible job for the next tour of duty. For instance, as a GS-9 I am performing the same type job which I did in 1945 at a CAF-4 and a considerably less responsible job than the one performed at headquarters as a P-2. While I have been taking Spanish lessons, I know that I am not proficient enough in the language for an assignment in Latin America, and feel that I would be better off in another area.
- 3. For the benefit of the case officer in assigning a replacement, Kenan has suggested that I outline the duties which my replacement should be trained to perform. The routine can be learned in the field within two or three weeks.
 - a) Copy typing. About 75% of the time will be taken up with routine typing.
 - b) Index carding. About 600 index cards a week are now being typed for the card files and for the visa section files.
 - c) Preparation of courier mail. Couriers usually go to the border approximately every two weeks but there is no regular schedule, and pouches are semetimes prepared on a few hours notice.
 - d) Communications. The incumbent should have complete training for our codes for he will not have much practice in the field as only two or three messages are transmitted monthly.

1. At the present time, it is headquarters' plan to replace RIGGS with a young officer who is expected to arrive in May 1953. Riographic data will be provided in a subsequent pouch.

2. With regard to RIGGS' future assignment, he may be assigned to a headquarters position, which will offer more responsibility than his present assignment, if he so desires.

e) Photography. At the present time, considerable operational use is being made of a darkroom at my residence. In addition to my own photographic equipment; the station photographic equipment is used there. My replacement should be trained in the use of the duo-printer and in 35mm copy work. If he has no personal photographic equipment, headquarters may wish to issue him a camera as there is only one camera at the station. Most of the copy work has been done with my personal rolleiflex and enlarger.

f) Administrative Reports.

- (1) Station Funds. He will be responsible for dispensing funds, keeping records and preparation of the monthly accounting reports.
- (2) Property. He will be responsible for keeping records of government property and preparation of periodic reports and inventories.
- (3) Exchange commodities. He will be responsible for keeping records and preparing periodic reports and inventories.
- g) Maintenance of Files. The station files are set-up along the lines recommended by headquarters, and should require little time for upkeep.
- h) Information Reports. Dependent upon the elerical workload, he may assist Roman in the preparation of information reports.
- i) Cover Job. Hone. If there are only two people at the station, the replacement for my job would not have time to perform a cover Job and consequently, would have no regular working relationship with the DYMARCH employees.
- 4. A resourceful person can find Menterrey a very enjoyable post. From a social coint of view, the city is not a dull place and either a single girl or man can find plenty of things to do. There are a limited number of single persons here, but one can always find somewhere to go and something to do. The American colony, as a whole, is the friendliest group that I have known at any post and they are very gracious with invitations to their homes. If headquarters has someone in mind for this post and would like elaboration on living conditions in Menterrey, I shall be glad to forward them on request.

FROM

SUBJECT: Ann L. Goodpasture

Temporary Promotion

1. Subject is administrative assistant at our installation in Bombay, India. Due to the increased cost of living in Bombay, request is made that she be given a temperary promotion from a CAF-7 to a CAF-9. The increase in selary, plus the additional cost-of-living and quarters allowances, will be sufficient to permit Miss Goodpasture to meet the highly inflated cost of living in Bombay, an impossibility for the past several months.

- 2. A review of subject's reports on living conditions in Bombay reveals that since her arrival in April, she has had to live in temporary quarters on a day-to-day or week-to-week hasis. The rooms occupied by subject have been shared with at least one other girl and sometimes two or three. Bathroom Parilities are also shared with the other occupants of the hotel. During a period of several months, subject and her roomsate complete a nine by twelve room on the fifth floor of a "walk-up" and shared a bath with four men. This room cost them \$150 a menth each. At the present time subject and her roommate are living in a single room, without private bath, and for the privilege are paying \$ Rs. 200 a week each (appreximately \$60.).
- 3. In a dispatch dated 28 November, subject stated that "I am now spending more than my combined salary and allowances to maintain only a moderate standard of living. It appears at present that it is unlikely that any permanent quarters will be found for unmarried members of the staff. . .since four officers' families are en route to Bombay and three such families presently in Dembay are without places to live. Any accommodations secured through the Consulate will of course be made available first to the highest ranking officer in need of housing. Any accommodations found through other channels have so far been prohibitive in price. . . "
- 4. In support of subject's statement of conditions she attached, at the Consul General's suggestion, a copy of his report to the State Department dated November 7, 1947. Pertinent portions of the Consul General's dispatch have been

excerpted and are enconted to this memorandum.

5. Subject's present salary, minus retirement and income. tax, is \$105.12 per two-week pay period; her present living and quarters allowance amounts to \$78.45. The proposed increase to a CAF-9 would bring her not salary to \$127.42 per two-week pay period and her living allowance to \$103.07 - a difference of \$46.92 every two weeks. A promotion to a CAF-8 would be insufficient, since her allowances would remain the same and the salary increase would amount only to \$10.75 per pay period.

SEE 8.

I have the honor to refer to my despatches numbered 93, 281 and 480 dated April 5, June 19 and September 13, 1947 respectively, and to report that the housing situation in Bombay is getting more critical maily.

Not only is living at hotels unsatisfactory in this climate, but it is far more expensive than any number of this staff can afford. So far the staff his accepted the unartisfactory and expensive living conditions without undue complaints but this situation cannot continue without seriously affecting morals and forcing resignations, or requests for transfers which I cannot conscientiously disapprove. The local authorities have been requested on numerous occasions to assist this office in obtaining living quarters and, although they have been making vague promises ever since my arrival last February, no houses or apartments have materialized. It is not likely that anything will be obtained through the deverment unless a substantial bribe known locally as "pugree" is paid. It is generally recognized now that only persons and firms paying "pugree" get living accommodations.

An endeavor is being made to find a suitable residence for the Domail General and staff quarters that can be purchased, but the demand for all types of dwellings has resulted in fantastically high prices and it is doubtful that anything will be obtained.

This office had an opportunity of leasing a floor of a building that could have been made into three apartments as reported in my telegram No. 366 dated October 13, 1947. This request was disapproved by the Department and it is most unlikely that another opportunity of this sort will arise. It must be pointed out that if any places do become available, the landlord will demand a lease on behalf of the begantment before he will even consider renting the place. Landlords with whom I have talked informed me that if any of their places do become available they will not lease them to members of the staff but will lease them to the Department.

I cannot stress sufficiently the seriousness of the present situamich particularly, from the financial standpoint and request that the legarithment increase the rent allowance for members of the staff who are forced to live in temporary quarters. If this is not done it will be impossible for them to live within their income if they remain at this post-

lespostfully yours,

John J. MacDonald, American Consul General

Division 1, FBZ, requests that the above subject be transferred from SSU Registry to Div. 1, FBZ. Three copies of her Form 57 are attached.

It is planned to send Miss Goodpasture to Bombay upon completion of her CIG and State Department training. Her present grade is a CAF-5, but her duties in her new position entitle her to a promotion to a CAF-7 upon her arrival in Bombay. A job description is attached.

When Miss Goodpasture first made known her desire to return to the Far East, this division contacted Registry and found that they were willing to release her for an overseas assignment. A replacement has already been obtained for her and Miss Goodpasture will be on leave from 4 November to 2 December, 1946. Registry agreed to carry her on their rolls until their personnel is terminated by SSU or until she can be picked up by CIG—which ever is sooner.

Miss Ann L. Goodpasture

Miss Ann L. Goodpasture reported back to SI Washington from Shanghai on 1 April 1946. On the trip back, she developed a rather serious ear ailment, and it is feared that an operation may be necessary. Dr. Thompson of the Medical Division was going to attempt to have her admitted to a hospital Monday night for further attention and treatment. After release from the hospital she will go to her home in Tipton, Oklahoma.

In view of the above facts, we shall show Miss Goodpasture as being on sick leave (approximately one month) until her return to duty, at which time she will fill out the form 71 and any other necessary papers.

Miss Ann L. Goodpasture who returned from Shanghai on 1 April 1946 has informed me that she has cancelled her "Power of Attorney" in writing and that she has not been paid since 9 February.

It is requested that her case be checked and necessary steps be taken to reimburse her. Miss Goodpasture has been a Clerk-Stene, CAF-5, \$2320 with the SI office since 16 Dec. 1945. She departed from Shanghai on 5 March and arrived in Fashington on 30 March.

Miss Goodpasture is being hospitalized immediately, due to a serious ear ailment which developed on the trip back, and will probably be out for approximately one month. Any payments should be mailed to her in Tipton, Oklahoma (no Street address), until further notice.

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT: Ann L. GOODPASTURE 18 October 1970 - 31 October 1971

To the immense regret of this writer Ann Goodpasture is retiring very soon. It would be silly to rate her competitively against any of her colleagues, male or female, young or merely well-preserved. Concerning her fitness be it recorded that she is very fit indeed to perform any of the tasks listed as her current ones or almost any others I can think of at almost any grade. I venture to rate her over-all performance, thirty years of it, as OUTSTANDING. Ann is one of the tough warp-threads on which this organization is woven, and when she retires the fabric of this organization will be weakened.

COMMENTS OF REVIEWING OFFICIAL:

Miss Goodpasture is indeed a fine officer who consistently turns in a Strong performance when she is not doing an outstanding job. She is an excellent office and project manager who is cost conscious and she is a careful thorough instructor and briefer. Her retirement will leave a great gap in CI/OPS and, as Mr. Johnson has said, in the organization. I hope she gets the official Agency recognition she deserves for the many years she has made substantive contribution to the

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT: Ann L. GOODPASTURE

18 October 1970 - 31 October 1971

To the immense regret of this writer Ann Goodpasture is retiring very soon. It would be silly to rate her competitively against any of her colleagues, male or female, young or merely well-preserved. Concerning her fitness be it recorded that she is very fit indeed to perform any of the tasks listed as her current ones or almost any others I can think of at almost any grade. I venture to rate her over-all performance, thirty years of it, as OUTSTANDING. Ann is one of the tough warp-threads on which this organization is woven, and when she retires the fabric of this organization will be weakened.

William R. Johnson Chief, CI/OPS/FE

COMMENTS OF REVIEWING OFFICIAL:

Miss Goodpasture is indeed a fine officer who consistently turns in a Strong performance when she is not doing an outstanding job. She is an excellent office and project manager who is cost conscious and she is a careful thorough instructor and briefer. Her retirement will leave a great gap in CI/OPS and, as Mr. Johnson has said, in the organization. I hope she gets the official Agency recognition she deserves for the many years she has made substantive contribution to the CS.

IV. COMMENT: Miss Goodpasture's hamiling of the problems indicated that she is capable of shrewd minlysis. She overlooked some points which might have been considered in one problem and dealt with the other problem in too brief fashion, but in general her analysis reflected her actual experience and suggested that she is perhaps stronger in analysis than in making operational decisions. She presented a rather complex case and demonstrated that she not only understood the case but was able to give a clear account of it.

Wiss Goodpasture's handling of the problems indicated that
she is expeble of shread analysis. She overlooked some points which
might have been considered in one problem and dealt with the other
problem in too brief fashion, but in general her analysis reflected
her actual experience and suggested that she is perhaps stronger in
analysis than in making operational decisions. She presented a rather
complex case and descentrated that she not only understood the case
but was able to give a clear account of it.

Present Positions

At the present time I am working in two placess one position is with the War Relocation Authority in the Placement and Training Unit of the Personnel Management Section which consists principally of clerical duties; the other position is with Congressional Intelligence, a private news service, the work consists of preparing for publication various legislative reports, press releases and current congressional information. The combined salaries amount to \$204. per month.

The Civil Service position which I now have is a grade CAF-3 \$1620. Although I am new doing personnel work, I do not feel that I am utilizing to the fullest extent my experience and educational qualifications and would be interested in transferring to any position for which I am qualified. I would prefer a position with a salary which would not necessitate my being on two jobs at one time.

I have no objection to a secretarial position if it is of a responsible nature, however I feel that I am better qualified for a Junior Administrative, Personnel or clerical accounting position.
